Dear Colleague,

We invite you to join the **Attorneys' Division of the Greater Miami Jewish Federation Pro Bono Panel** in conjunction with **Dade Legal Aid/Put Something Back Pro Bono Project**, the oldest civil legal services provider in our community. Dade Legal Aid/Put Something Back serves indigent clients in all areas of civil law. They do an outstanding job filling the gaps by recruiting attorneys and referring record numbers of cases to lawyers and law firm partners in the areas of: **bankruptcy, child advocacy, consumer fraud, domestic violence, family law, foreclosure defense, guardianship, immigration, landlord-tenant disputes and will drafting**. They cannot continue to fill the gaps without our help, their greatest resource.

As attorneys, we solemnly took an Oath to help the less fortunate. Legal Aid reminds us that there is no better way to fulfill the Oath than by participating in Put Something Back, which allows attorneys like us to make a difference in the lives of so many by using our legal skills. We ask you to participate in the Attorneys' Division of the Greater Miami Jewish Federation Pro Bono Panel. The benefits you receive include: pre-screened clients, blanket malpractice insurance coverage on cases handled through the project, CLE training, mediators, mentors, valuable experience and personal gratification of "giving something back."
