Dear Colleagues,

We are writing to ask you and your firm to support the *2016 Child Advocacy Project* of Dade Legal Aid (“DLA”) which provides critical legal representation to our community’s fragile foster youth and teens in dependency. Dade Legal Aid’s dedicated team remains the one constant in their lives as the Court-Appointed Attorney until the youth ages out the system. Please help sustain this project which enables our foster teens to successfully transition into productive adulthood and productive members of society. Volunteers have an opportunity to: Fulfill Your Attorney Oath; Help a Client in Need of Services; Give Back to the Community; Expand your Practice; Attend Trainings; Network with Colleagues.

Enclosed for your consideration please find the *2016 Child Advocacy Sponsorship Form*. We encourage you and your firm to help Dade Legal Aid and *Put Something Back’s* impactful initiative by accepting a case, making a donation, or sponsoring an upcoming seminar.

We are so grateful for your past support of Dade Legal Aid. Your contributions are invaluable, but the unmet needs are still great. If you are so inclined, please complete the enclosed form and return it to Dade Legal Aid as soon as possible.

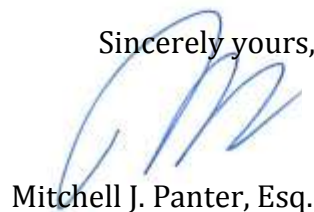

On behalf of Dade Legal Aid & *Put Something Back*, thank for your support and generosity.

Sincerely yours,

Jude M. Faccidomo, Esq.
