BANKRUPTCY ADVOCACY IN ACTION

Celebrating Pro Bono Excellence

When individuals face overwhelming financial challenges, bankruptcy can offer stability, dignity, and a path forward. That promise becomes a reality through the dedication of attorneys, bar associations, and legal aid organizations committed to pro bono service. In this issue, we celebrate milestones that reflect the strength of the bankruptcy pro bono community and its lasting impact on access to justice in Miami-Dade County and beyond.

Bankruptcy Bar Association of the Southern District of Florida Honored with Pro Bono Service Award

We are proud to congratulate the Bankruptcy Bar Association of the Southern District of Florida (BBASDFL) on receiving the **2026 Voluntary Bar Association Pro Bono Service Award**, presented by the Chief Justice of the Supreme Court of Florida. This distinguished recognition honors voluntary bar associations that demonstrate exceptional commitment to pro bono service and access to justice.

Since its founding in 1980, BBASDFL has been a leader in advancing the bankruptcy system while expanding access to legal services for individuals in need. Through its longstanding partnership with Put Something Back, BBASDFL has supported our efforts by accepting pro bono cases, staffing clinics, serving as speakers and mentors, leading workshops, connecting vulnerable individuals with volunteer attorneys, and other initiatives

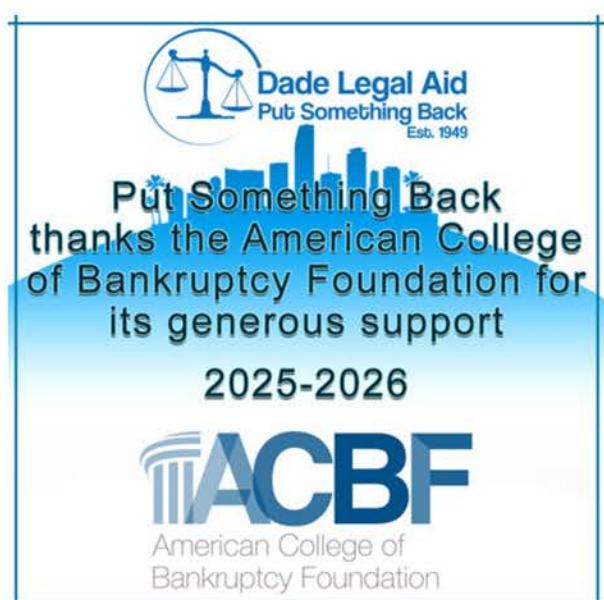

that expand access to justice. This award is a well-deserved recognition of BBASDFL's sustained leadership, service, and impact within the bankruptcy community.
