Dear Pro Bono Partner:

This summer, we held a variety of law firm projects, legal clinics, in-house trainings and programming. Join us this fall as we continue to build upon the momentum and bring even more events and opportunities to you. No matter how big or small the firm, our team is here to make pro bono easy for you and would love to add you to our agenda. Below please find upcoming opportunities to share with your firm. If you have any questions, please contact Stephanie Grosman, Esq., Law Firm Pro Bono Coordinator (305) 579-5733 ext.2224 SGrosman@dadelegalaid.org.

AVAILABLE PRO BONO CASES

There are many clients in need of your firm's assistance. Based upon your areas of expertise, we match you with prescreened, qualifying clients. Currently, our greatest areas of need are bankruptcy, family, probate, real property, patent and dependency. Please contact Stephanie with the types of cases you are willing to take on at this time.

PRESENTATIONS & CLINICS

Did you know that attorneys may earn up to 5 CLE credits per reporting cycle for volunteering at a clinic? Last week, Saul Ewing LLP hosted a pro bono in-house transactional clinic. Thank you to everyone at the firm for participating and for providing legal assistance to our very happy clients.

Some of the most popular clinics and presentations we offer include:

An Overview of Put Something Back, The Role of the Guardian ad Litem, Will Drafting and Advanced Directives, Name Change and Bankruptcy Clinics, and Dependency Matters. Please let us know your availability and practice areas.
